About Dranetz Seminars

Dranetz Technologies provides no-cost educational seminars at select cities in the continental US throughout the year. This incredible value is open to anyone interested in learning about power quality, and only requires registration to reserve your seat. All power quality seminars are 1/2 day and run from 8:00 a.m. to 12:00 noon, and a continental breakfast is included from 7:30 a.m. to 8:00 a.m.

PDH (Personal Development Hours) certificates will be issued to attendees. Individual states will validate applicability of PDH.
